

FIA Summer Camps 2017

IMACS

June 26th-30th

We are so excited and lucky to have IMACS coming to FIA from Raleigh! This company offers a unique experience that I know our children will both enjoy and learn from! Computer

Programming & Virtual Robotics: Students entering grades 3rd- 7th

Logic Puzzles: Students entering grades 1st and 2nd

Sports Camp

July 5th-7th

The famous Coach Kate will be teaching the kids all about the importance of physical education, team work, building confidence, good sportsmanship and having fun! They will be playing different athletic games and sports, getting lots of exercise and enjoying the pleasure of being a kid ,running around and getting lots of necessary fresh air. She will also be incorporating some of the skills she teaches in her speed and agility courses. Please have your child bring a water bottle and sunscreen for this camp!

Wonderful World of Wizardry Camp

July 10th-14th

Calling all muggles for Challenge Island's All New Wonderful World of Wizardry Camp! Our Harry Potter inspired STEAM challenges will include designing your own magic wand, surviving a trip through Grignots Bank, creating magic snitches, mixing up magic potions, and that's just the beginning of the magical fun that awaits! Which HOUSE will you end up in? Our Wizardry camp is sure to fill like lightning, so don't wait until the spots disappear!

Camp Itinerary:

Day 1: Invitations/Houses/Wizardry Gear

Day 2: Grignots Bank/ Wands

Day 3: Witch and Wizard Tournament

Day 4: Witch and Wizardry Classes

Day 5: House Celebration

Bricks for Kids

July 17th-21st

(Part of the S.T.E.M program (Science, Technology, Engineering, & Mathematics))

Students will Learn, Build and Play with Lego Bricks. Students will receive a "What I Built Today" summary report each session. Most models are motorized!!! Each theme will be touched on throughout the day by your child's camp specialist by incorporating age appropriate projects and activities.

Monday: Architecture and Engineering

Tuesday: DNA

Wednesday: Forces and motion

Thursday: How things move

Friday: Reduce.Reuse, Recycle

FIA Summer Camps 2017

Breakout EDU! (educational escape room)

July 24th-28th

This camp boosts children's communication skills, problem solving, logic, teamwork, perseverance and risk taking skills! In teams, children will be given a problem and be asked to solve it within a given time. They will do this through a series of puzzles, clues and unlocking various padlocks. Come join us while we use our educational skills to get out of FIA! I hope you can escape.

August Camps are offered to Students going into Kindergarten through 7th Grade....we will have two seperate classes running on these weeks

Noah's Landing July 31st-August 4th

ANIMALS ANIMAL and MORE ANIMALS!!!! Each day 2 staff members from Noah's Landing will be coming with different animals to give the children an interactive and hands on learning experience! They will talk all about different classes of animals and their habitats, participate in games, hands-on activities, & have special animal interaction time.

Mad Science August 7th-11th

Mad Science from Raleigh is a science workshop that offers science education and fun as well as spark kid's imagination and excitement for science.

Monday- Science of Toys

Tuesday- Movie Effects

Wednesday- Optical Illusions

Thursday- Bugs

Friday- Magnetic Magic
